## Carrie McCullough

Junior League Member Since 2014

### How do you spend your days?

Work professionally as the Managing Director of Brittany's Hope, a nonprofit working with humanitarian aid and special needs adoption grants.

### Of what are you most proud?

It might sound cliché, but I am proud of doing things my own way and paving my own path on how I have wanted to live my life and what was important to me.

**Who inspires you?** Ruth Bader Ginsburg & Marty Ginsburg, Elizabeth Gilbert, a special Nun in Kenya that I work with named Sr. Lucy.

**If you could give your younger self, or a young woman today, any advice, what would it be?** Eat the cookie, buy the dress, and take the trip. We never know how long we have on this earth. Don't beat yourself up over the small everyday insecurities. Just go out and be the best version of yourself every day. However, that doesn't mean that you can't have a bad one- just don't let it consume you. Give a little cry, take a deep breath, put on your favorite song, and move on.
