

# CELEBRATING THE WOMEN OF THE JUNIOR LEAGUE OF LANCASTER

## Hannah Funk

**How do you spend your days?** Currently enrolled at Villanova University pursuing a Paralegal Certificate

**Of what are you most proud?** I'm proud of the fact that I don't give up. I pivot, adjust, and even change paths sometimes, but I don't give up. [pivot reference for my fellow Friends fans 😊]

**Who inspires you?** My mom is my biggest inspiration. She is the strongest and most loving person I know. I would not be who I am without her. As far as people I've never met, Ruth Bader Ginsburg

**If you could give your younger self, or a young woman today, any advice, what would it be?** Don't be afraid to try and fail. The only true failure is not trying. Also, have compassion for everyone you cross paths with. You never know what battle someone is fighting.
