**How do you spend your days?** I work in HR for Campbell's where I am a Supervisor of our HR Services Supply Chain team.

**Of what are you most proud?** Being an independent woman.

**Who inspires you?** All of the amazing women in the Junior League of Lancaster.

**If you could give your younger self, or a young woman today, any advice, what would it be?** Never stop learning. It's ok to step outside of your comfort zone to help yourself grow personally and professionally.
