Junior League of Lancaster Seeks Applicants for 2021-2022 Community Grant Program

LANCASTER, PA (March 24, 2022) – The Junior League of Lancaster, PA, Inc. (JLL) is excited to announce that we are accepting applications for our 2021-2022 Community Grant Program. This program seeks to further the League’s current initiative, increasing educational and career opportunities in STEM for girls and other youth who have been historically underrepresented in these fields.

This year, the JLL will make grants of \$1,250 to Lancaster County STEM non-profits for the purpose of hiring McCaskey High School students to paid summer internships with their organizations. The grants will go towards the salary or stipend that the student receives for their work.

All applications must be received by April 1, 2022. JLL will award all grants by April 30, 2022.

In 2020, JLL awarded \$5,000 in grants through its Community Grant program. Grant recipients in 2020 were Bright Side Opportunities Center and The Edible Classroom.

For application details and documents, please visit JLL’s website at www.jllancaster.org or email grants@jllancaster.org.

ABOUT THE JUNIOR LEAGUE OF LANCASTER: The Junior League of Lancaster is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Junior League members scan the needs of our community, conduct issue-based research and identify areas where we can be most impactful in our local ecosystem. Our current initiative aims to increase educational and career opportunities for girls and other youth who have been historically underrepresented in the fields of science, technology, engineering and math. For over 95 years we have identified the needs of our area and have rallied to provide meaningful and lasting improvements. Our purpose is exclusively educational and charitable.
