JUNIOR LEAGUE OF LANCASTER TO HOST VIRTUAL RUN4LUCK RACE ON MARCH 14

LANCASTER, PA (March 12, 2020) - Our organization's leadership has been closely monitoring the situation with COVID-19 and its impact to our community. In order to maintain a safe environment and address public health concerns, the Junior League of Lancaster Board of Directors has decided to make our 15th Annual Run4Luck a VIRTUAL RACE. Please note: all bag pick-ups scheduled for Friday, March 13th and Saturday, March 14th are cancelled.

Runners can enter their race times here:

This was a difficult decision, but we are confident that limiting the amount of close contact that we would normally experience in a race-setting is prudent and in the best interest of the community that we serve.

But- the good news is that there's still a chance for gold at the end of the rainbow. We will be holding a "Bag Bash" at a later date (to be determined), where runners will be able to pick up their race bags and t-shirts and celebrate together as a community. Consequently, we do not plan on any fee refunds.

Thank you so much for your understanding and support. We are a volunteer-run organization and want to do our best to facilitate a fun and safe event.

P.S. We want to see your Run4Luck on race day! Use #MyRun4Luck for a chance to be featured on our social channels and more!

Thank you again to our sponsors for their continued support.
